

Weston Elementary Handbook 2018-2019

Please complete the attached information on your child(ren) indicating you will read and discuss the handbook with them.

Please read the handbook and go over it with your child. Included in this handbook are the school mission, goals, general policies, and rules. It takes administrators, teachers, parents, and students working together to have a well run school where students learn and enjoy the learning.

A copy of the handbook is on the Weston website for your review or we will give you the handbook when you register.
